

PM25 Unisex Elliott Polo

The Unisex Elliott Polo is built for performance and designed with style in mind, ideal for active roles, dynamic workdays, or smart casual uniforms. Made from NanoStretch fabric with graphene, it delivers superior strength, breathability, and natural antimicrobial protection to keep you feeling fresh all day. A soft rayon-spandex blend provides comfort and flexibility, while recycled polyester supports a more sustainable choice. Finished with a sleek unisex fit and contemporary look, Elliott is versatile enough for everyday wear and tough enough for demanding days.
